Haqiqatjou Attacks Zaytuna Institute

February 15, 2024 · Attacks on Institutions · Not retracted · Targeted: Zaytuna College

> Haqiqatjou's war with the Ummah is a war with all accepted/mainstream institutions & scholars, across all schools of thought. This is because his deranged views always lead him to being an outcast, both b4 practicing Islam & now. Maybe he should stop with bad adab as a start? pic.twitter.com/g7P3CXzZV4
